ResearcherID - Invitation to Register in Resea...
researcherid@researcherid.com to Me Tue, 02/21/2017 11:24 AM

Dear soheyla hemmati,

Thank you for your interest in joining ResearcherID!

Copy and paste this link into your browser to complete the registration process:

<http://www.researcherid.com/VerifyURLAction?URLAction=AUColkakYvN6B0i6T8mqn0R3HenX7I>

As a registered member, you can:

- Manage your publication list and showca
- Track your times cited count and h-index
- Identify potential global collaborators
- Avoid the common problem of author misidentification

Because ResearcherID integrates with Web of Science* and EndNote online, you can claim your publications quickly and easily. These publications will then automatically be updated within Web of Science, making content you have produced attributable to you in a search environment that is relied upon by more than 20 million researchers around the world.

Additionally, you can associate your ResearcherID account with your ORCID account.

If you have any questions about the registration process, please contact the Thomson Reuters IP & Science Global Support team (<http://ip-science.thomsonreuters.com/support/>). Please note that the sending email address cannot accept replies.

* Although ResearcherID.com is accessible from any computer, features integrated with Web of Science require you to be on an authenticated computer.

Kind Regards,
The ResearcherID Team

You have received this e-mail in the genuine belief that its contents would be of interest to you. To not receive these messages from Thomson Reuters, please go to our preference page (<http://ts-productinfo.com/r/r.asp?671807&aaa215e7518846c1&H>).

Thank you for your interest in ResearcherID!

By registering, you're helping to build a resource that standardizes and clarifies author information - strengthening the connections between you and your colleagues and making vital research more accessible to all.

Data Privacy: The information that you submit as part of this registration process and the information that you submit or that Thomson Reuters collects in the course of the use of your ResearcherID will be processed by Thomson Reuters in accordance with the ResearcherID End User License Agreement. **Except where indicated**, registration information will be viewable by default on your public profile page on the www.ResearcherID.com website. At anytime after registering, you can login to your account and choose to make some or all of your information private or to update any of your registration information.
